

## **HRC Announcement**

### **Distribution of Holy-Communion by way of Drive-Through**

#### **Dear Brothers & Sisters in Christ,**

Our Parish Priest, Fr. Joachim Tan is pleased to announce that on a TEMPORARY BASIS and for the spiritual benefit of the faithful we will commence the Distribution of Holy Communion by way of Drive-Through effective 19 September 2021 from 8.00 a.m to 10.00 a.m and thereafter on Sunday each week.

Drive-Through Processes are as follows:

- 1) Only persons whose MySejahtera profile who do not show a High Risk status (Red) are permitted for drive through. No prior registration is required.
- 2) Driver and passengers are to remain in the vehicle at all times.
- 3) All occupants of vehicle are to be properly masked when entering the church compound.
- 4) Total occupancy of vehicle should be in compliance with the MKN SOP. However, the maximum persons allowed are 4 for all types of vehicles.
- 5) There will be 3 Stations for this service: Station 1 - Temperature Screening & Scanning of MySejahtera; Station 2 - Distribution of Holy Communion and Station 3 - Donation Box.
- 6) Vehicles are not allowed to stop except at the stations or in queue.

All devotees are to take note of the following:

i) In order to receive Holy Communion, one:

- must be a practicing Catholic (not Christian of other denominations);
- needs to be in the state of Grace (free from mortal sin);
- must observe the Eucharistic fast (one hour before Holy Communion);
- must have a good reason.

ii) It must be noted that a Communion Service outside of Mass is not a substitute for Holy Mass attendance. When public Masses resume, the faithful must be advised, after having made a personal risk assessment and provided that they have been fully vaccinated, to return physically to attend Mass.

**Thank you and God bless.**
