Dear Parishioners,

RE : OUR EMAIL HAS BEEN HACKED/COMPROMISED

It has come to our attention that our email account has been hacked by conmen and scammers.

Please ignore any appeal for funds to be transferred to any bank account other than the one stated in our website and Facebook OR in any other name .

Please note that the parish has only 1 bank account with Maybank as published in our website and in Facebook.

Do not entertain any request to transfer funds to and from me or any other named person to "our" personal bank account.

I hope you will all be safe physically, spiritually and in cyber space.

Thank you and God Bless.

Forever in Christ,

Rev .Fr. Joachim Tan
Parish Priest
